

GRADUATION FASHION SHOW 15123

Summer is time to end the school year, also to complete the first collection for the students of fashion design programme enrolled in 2015 at HCMC University of Technology and Education as well as finish their learning process. In the waiting time for the graduation show at the main hall on July 21, 2019 with a crowded and bustling atmosphere, an expected number of 150 guests were constantly increasing which organizational board had to add and adjust the seats appropriate to the viewing angle.

View at the hall

To open the show at 6:30 PM, the dean of the Faculty of Garment Technology and Fashion, Dr. Nguyen Tuan Anh had speech to emphasize and thank to sponsors.

In each set of outfits for student’s collection, author showed his/her expressive idea and style, creating diversity and novelty for guests that each collection was a private investment. For example. Pham Thi Kim Phung applied to process the materials in developing ideas from Jackson Pollock paintings or Le Thi Hoai An inspired by the Renaissance style.

Le Thi Hoai An’s collection

Pham Thi Kim Phung’s collection

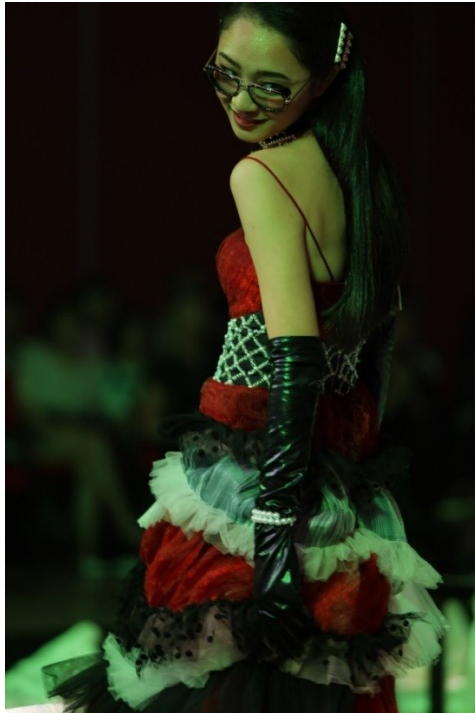

Also some outfits were inspired by films to induce attraction for viewers.

Nguyen Vo Thanh Tuyen' collection

Nguyen Thi Thanh Huyen's collection

Le Thi Kim Oanh's collection

Le Thi Kim Oanh inspired by Bohemian style with two future designers and different styles

Le Nguyet Khang's collection

Ngo Thi Ngoc Anh's collection

Le Thi Thu Huyen's collection

Vo Thi Ky Duyen's collection

Flowers are one of the endless sources of inspiration for artists that Le Thi thu Huyen conveyed the lightness and flexibility of black and white colors of Lily flowers. Ky Duyen wanted to use the soft organza materials in combination with the tone of yellow materials from the shirt to express the chrysanthemum species - Japan's flower. There were more and more beautiful collections that could not describe herein. The most impressive collections were selected to award the first, second and third prizes including Le Thi Kim Oanh, Pham Thi Kim Phung and Le Thi Hoai An, respectively.
